

## LIGHTING SYSTEM WORKSHEET

**Completing the Lighting Worksheet:** Fill in the appropriate fields in the worksheet. To calculate the TOTAL INCENTIVE, multiply the COUNT (quantity of installed equipment) by the UNIT INCENTIVE and enter this amount in the TOTAL INCENTIVE column. The sum of the TOTAL INCENTIVE amounts is entered in the TOTAL LIGHTING WORKSHEET REQUESTED INCENTIVE field at the bottom of the lighting worksheet.

**Note:** The incentive for fluorescent lighting systems applies only to the replacement of T12 lamps and ballast with T8 lamps using electronic ballasts. Replacements of T12 lamps to T8 lamps without installation of electronic ballast(s) are not eligible. It is the Applicant's responsibility to confirm that light levels of the energy efficient design meet the minimum regulatory requirements and the suggested maximum levels for the proposed use of the space.

ENERGY STAR® EXIT SIGNS		Model #	Manufacturer	Count	Unit Incentive	Total Incentive
Eligible units shall be an ENERGY STAR® registered exit sign. <b>Entire sign must be new.</b> <b>Retrofit kits are not eligible.</b>	All sizes				\$ 8 per sign	

STANDARD PERFORMANCE T8		Model #'s Lamp/Ballast	Manufacturer Lamp/Ballast	Fixture Count	Unit Incentive	Total Incentive
<b>New or Retrofit Fixtures.</b> Re-lamp and re-ballast or new fixtures with standard performance T8 lamps and electronic ballasts. Lamps must be 4' to 8' lengths only. Not more than four lamps per fixture.	Single-lamp Std. T-8 fixtures				\$ 5 per fixture	
	Two-lamp Std. T-8 fixtures				\$ 6 per fixture	
	Three-lamp Std. T-8 fixtures				\$ 7 per fixture	
	Four-lamp Std. T-8 fixtures				\$ 8 per fixture	
HIGH PERFORMANCE T-8 FIXTURES (T8 Lamps and electronic ballasts must comply with Consortium for Energy Efficiency qualifying list <sup>1</sup> )		Model # Lamp/Ballast	Manufacturer Lamp/Ballast	Fixture Count	Unit Incentive	Total Incentive
<b>New or Retrofit Fixtures.</b> Re-lamp and re-ballast or new fixtures with high performance T8 lamps and electronic ballasts. Not more than four lamps per fixture. Lamps and electronic ballast must comply with Consortium for Energy Efficiency qualifying list <sup>1</sup> .	Single-lamp High Perf. T-8 fixtures				\$ 8 per fixture	
	Two-lamp High Perf. T-8 fixtures				\$ 10 per fixture	
	Three-lamp High Perf. T-8 fixtures				\$ 12 per fixture	
	Four-lamp High Perf. T-8 fixtures				\$ 14 per fixture	
<b>TOTAL LIGHTING SYSTEM WORKSHEET INCENTIVE REQUESTED</b>						
The manufacturer and model numbers must be clearly indicated. In order to receive an incentive, you must submit purchase INVOICES indicating model numbers and quantities with PROOF OF PAYMENT (required for incentive payment) or ESTIMATES (required for pre-approval) for purchased equipment. In either case, submit MANUFACTURER'S TECHNICAL CUT SHEETS demonstrating that the equipment meets the program requirements.						\$
