

TRANSFORMER WORKSHEET

Completing the Transformer Application Worksheet: Fill in the appropriate fields in the worksheet. To calculate the TOTAL INCENTIVE, multiply the INCENTIVE by the QUANTITY of installed equipment and enter this amount in the TOTAL INCENTIVE row. The totals should be entered in the TOTAL Transformer WORKSHEET INCENTIVE field. Units meeting or exceeding the Energy Star efficiencies below are eligible for incentives. . (Copy this page to submit incentive request for more than five transformer types).
