Effective November 1, 2019, the Ontario government introduced the new Ontario Electricity Rebate, under the *Ontario Rebate for Electricity Consumers Act, 2016*.

There are new notice requirements for the Ontario Electricity Rebate. Please complete and submit this form to Elexicon Energy **before January 31, 2020**, in order to avoid a disruption in the receipt of the rebate.

Does your account qualify?

Eligibility for the Ontario Electricity Rebate

To be eligible to receive the rebate on your electricity bill, you must qualify under at least ONE of the following criteria: (Please check all that apply to your account)

The consumer has a demand for electricity of 50 kilowatts or less (determined by Elexicon Energy)

The consumer annually uses not more than 250,000 kilowatt hours of electricity (determined by Elexicon Energy)

The consumer carries on a business that is a farming business for the purposes of the *Farm Registration and Farm Organizations Funding Act, 1993*, and holds a valid registration number assigned under that Act or has had their obligation to file a farming business registration form waived pursuant to an order made under subsection 22 (6) of that Act;

The account is in respect of a long-term care home licensed under the Long-Term Care Homes Act, 2007, other than an account that is also in respect of a hospital as defined in the Broader Public Sector Accountability Act, 2010.

The account is solely in respect of a multi-unit complex, and all of the following conditions are met

- i. The multi-unit complex contains at least two "qualifying units" that consist of a self-contained room or set of rooms, contain kitchen and bathroom facilities that are for the sole use or intended use of the unit, and are occupied and used as a residence
- ii. At least 50 percent of the units within the multi-unit complex are qualifying units as described in the sentence above

****If your account does not qualify based on the provisions above please fill out the following section**

Previously Eligible Accounts

Important Note: As part of this rebate program, there will be a transition for consumer accounts which do not meet the eligibility criteria listed on page 1 of this form, but were previously receiving a reduction on their bill pursuant to the *Ontario Rebate for Electricity Consumers Act, 2016*, on October 22, 2019.

Previously eligible accounts, which are categorized below, will receive the Ontario Electricity Rebate through October 31, 2020, as long as this form is received by Elexicon Energy by January 31, 2020. If this form is not received by January 31, 2020, these accounts will no longer receive the Ontario Electricity Rebate as of February 1, 2020.

Does the account fall into any of the following categories? (Please check all that apply to your account)
